Correa Table - Planter

Inspired by unique forms found in Australian native flora, the Correa Table | Planter encourages easy conversation through thoughtful design. A central planter creates a distinct focal point and extends the innate floral dialogue – the table's base gently bulbous form echoes the soft bell-shaped curves of the Correa flower, also known as the Native Fuchsia. When not in use, the cavity is covered elegantly by a matching insert with a discreet finger hole detail. Available in three diameters, as well as a pill shape, Correa's elegant top comes in powder coated aluminium to create a seamless metal whole with its metal base. Welcome to easy, shared mornings, afternoons and nights at the round table.

FEATURES

- Triple coated steel base
- Comes with Ice Bucket and Planter
- Aluminium top
- UV stable powder coat
- Nylon glides

The Correa Collection is our newest dining collection, inviting people to gather around for great conversations and lasting memories. Drawing from environmental and industrial inspiration, from Australian natives to Bauhaus innovation, Correa echoes its floral namesake in more ways than one. The collection is both beautiful and tough, and crafted to last in challenging conditions across Australia.

Harnessing manufacturing technologies and skills honed over 30+ years, the Correa Collection is engineered in a range of premium materials and finishes including stainless steel and aluminium offered in 22 powder coat colours, and high-performance fabrics.

The collection comprises 8 table variations allowing for solid metal or porcelain tops, or with a cutout hole for ice bucket, planter, or umbrella. There are also 3 seating options – the Correa Chair, Correa Lounger and Correa Rocker – which can be either full metal or fixed with upholstered panels.

Like all Tait collections, Correa is embedded with circularity, using recyclable materials, and purpose-designed for refurbishment. Seat and back pads can be reupholstered, frames can be stripped and re-powder coated, and glides and rubber fittings can be replaced.

Suitable for retail, hospitality, workplace, education and residential settings, both indoor and outdoor.

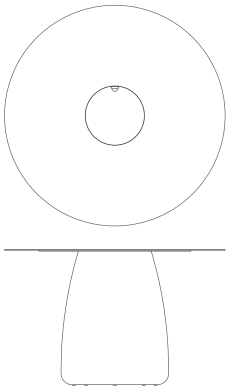

All Tait pieces are made locally and come with a 10-year structural warranty.
Tait's original designs are protected under design registration and copyright.
