Drum Planter

The smooth geometry of the Drum Planter defines this series of stylish contemporary indoor-outdoor planters, ideal for bringing green life into a space, at home or work, outdoors or in. Available in three sizes and a spectrum of colours, Drum Planters are striking stand-alone pieces but really make a statement when grouped together.

FEATURES

- Aluminum Sheet
- UV stable powder coat
- Stainless steel castors or aluminum risers
- Optional mulch plate and flower buckets

Drum Planters feature drainage holes in their base so you can plant directly into it, or if using indoors we provide a mulch plate and flower buckets to plant into. Drum Planters have the option of concealed casters for easy mobility, or risers to keep the planter stationary.

Outside or in, Drum Planters slide effortlessly into any social situation be it home, work or recreation and is revered by architects and designers alike for its ability to speak to a range of residential and commercial contexts.

The Drum Planter provides the assurance of genuine local manufacture using sustainable methodologies, quality craftsmanship supported with a manufacturer guarantee and product longevity.

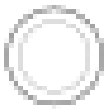

Spanning commercial to residential and hospitality to corporate applications, the Drum Planter is designed for outdoor use, though is equally at home indoors.

All Tait pieces are made locally and come with a 10-year warranty.
Tait's original designs are protected under design registration and copyright.
