Swing Barstool with Armrests
Technical Specifications

Tait.

UPDATED • 04.11.26

With a structure crafted from a single piece of tubular stainless steel, the Swing Barstool exudes elegance. Essential in form and pure in material, this charismatic piece designed in collaboration with Adam Goodrum elevates every seating experience. This statuesque barstool with 750mm height is perfect to accompany bar height tables, whilst the 650mm height version can be tucked under standard height counters with ease. Subtle curves are designed into the seat for comfort, with an optional slim upholstered seat pad providing extra cushioning. Slim armrests provide a resting spot for forearms and UV-stable nylon glides ensure stability for the sled base.

FEATURES

- Stainless steel tubular frame
- UV stable Powdercoated, Electropolished or Passive finishes
- UV stable nylon glides

Harnessing manufacturing technologies and skills honed over 30+ years, the Swing Collection is crafted in Australia from a continuous piece of stainless steel, delivering a distinctive elegance. The collection can be powder coated, electropolished to produce a highly reflective aesthetic (also durable in coastal environments), or 'passivated', which retains a 'Passiv Matte' stainless steel look, whilst adding protection against the elements.

The Swing Collection comprises the original Swing Chair, the new Swing Lounger and Swing Barstool, all available with and without armrests. These are complemented by the Swing Side Table, Swing Café Table and Swing Dining Table, and the elegant Swing Chaise completes the collection.

Like all Tait collections, the Swing Collection is embedded with circularity and sustainability, using recyclable materials, and purpose-designed for refurbishment. Powder coated pieces can be stripped and recoated, and electropolished and passivated pieces can be re-processed to restore their original surface.

The Swing Collection is suitable for retail, hospitality, workplace/commercial, education and residential settings, both indoor and outdoor.

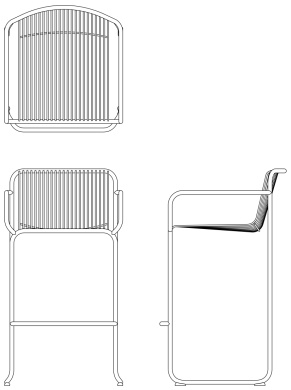

All Tait pieces are made locally and come with a 10-year warranty.
Tait's original designs are protected under design registration and copyright.
