Voom Square Coffee Table
Technical Specifications

Tait.

UPDATED • 25.08.26

Soft curves, opposing textures and a hint of Australian nostalgia emerge as subtle considerations in our latest robust design collaboration with Industrial Designer, Adam Goodrum.

FEATURES

- Powder-coated aluminium frame
- UV stable powder coat
- UV stable nylon glides
- Available with porcelain travertine tabletop
- Optional fixing available

Partnering with Mokum to exclusively showcase the new dimensional Sole Boucle and Elba designs, our new Voom Collection is a modular, versatile and ergonomic range that mirrors the casual functionality and aesthetic of 60's and 70's Australia, while melding our unmistakable mark of minimalist sculptural form and manufacturing integrity.

Unique both in design and materials, the Voom Collection, designed by Adam Goodrum for Tait is a fusion of soft form, versatility and modularity, with the highest quality manufacturing processes considered from end to end to create tactile and lasting pieces. Created to withstand harsh Australian conditions while providing opportunities for seamless reconfigurations for different functions and occasions, the collection is available in our distinctively Australian colour palettes, once again underpinned by our commitment to sustainability.

Pushing the boundaries between indoor and outdoor living, the Voom Collection can be placed in many configurations, with groupings of loungers and ottomans creating new sofa and sun lounge forms. The collection comprises the Voom Lounger, Voom Ottoman, Voom Side Table, Voom Round Coffee Table and Voom Square Coffee Table.

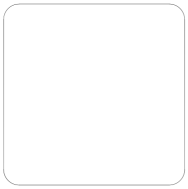

All Tait pieces are made locally and come with a 10-year warranty.
Tait's original designs are protected under design registration and copyright.
